

KNOWING, LOOKING, LIVING

Key Verses: **II Pet. 3: 1-14**

Introduction: Prophetic study, like raising children, is not an exact science. While the Bible has much to say about prophetic events, there are some things that are not addressed in detail, or at all. About the things that are addressed, there can be differences of interpretation. In addition, with the passing of time, the interpretation of certain passages may become clearer or change altogether. The intent of this study is to present a general overview of end time events, paying particular attention to the person of the Anti-Christ, his person and his operation. As with all truth, prophetic or otherwise, the end result should be (must be) more consecrated living in light of the increased understanding.

“Seeing... all these things...what manner of persons ought ye (we) to be in all holy conversation and godliness.”

II Peter 3:11

“But be ye doers of the word, and not hearers only, deceiving your own selves.”
